

## **Public Post** **Math Textbook Adoption 2025-2026**

Leonard ISD is currently reviewing new math instructional materials for possible adoption. Parents and guardians are invited to review the math textbook materials linked below and share any feedback. All materials from each vendor have been reviewed through the state instructional materials process and approved by the Texas Education Agency commissioner. Your input is an important part of our local review process and helps ensure the materials best support student learning. For additional demo access, please email Lisa Jones, District Curriculum Director at [jonesl@leonardisd.net](mailto:jonesl@leonardisd.net).
