

## 1. INTRODUCTION

### 1.1. STUDENT PORTAL OVERVIEW

The Texas Assessment Student Portal is designed to provide students and parents with online access to a student's state assessment scores. This portal will assist a student and his or her parents with tracking assessment information throughout the student's academic career.

The portal provides scores from the State of Texas Assessments of Academic Readiness (STAAR®), STAAR Alternate (includes STAAR Alternate 2), the Texas English Language Proficiency Assessment System (TELPAS), and the Texas Assessment of Knowledge and Skills (TAKS). TAKS-Alternate scores are not available through the Student Portal.
