

What Are Senior Yearbook Ads?

As we dive into your child's senior year, we want to help make it a memorable one for them. We are sending out information about senior ads for the Tiger's Tale Yearbook early because they are sold on a first-come, first-served basis. Due to space limitations in the book, we have a limited number of senior ads available.

Below are the prices along with some examples of what each ad size might look like. You can customize your child's ad however you wish, or if you prefer, you can design it yourself.

All senior ads must be purchased online at www.jostensyearbooks.com by the deadline of January 26, 2025. However, you have until April 15, 2025, to submit the required contents (including photos and the message you wish to include). Please note that the total amount must be paid in full by January 26, 2025.

Senior yearbook ads are typically found at the back of high school yearbooks. These ads are paid tributes from parents or family members to graduating seniors and are a popular way to celebrate their hard work, accomplishments, and graduation. Additionally, senior ads, also known as senior tribute ads, help the school offset the cost of producing the yearbook.

LHS offers the following purchase options for ads:

- ¼ page = \$50

- ½ page = \$80

We do not offer full-page ads to ensure there is enough space for every senior's tribute. Each ad will include photos and a personal congratulatory message from the student's family. You can also purchase a yearbook by visiting www.jostensyearbooks.com.

Unlike the constantly changing digital world, yearbooks stand the test of time. Whether you open your yearbook five years or two decades from now, the memories will remain in the same place.

If you have any questions, please contact Mrs. Nancy Longino at 903-587-3556 ext. 716.
